- Great job! Our discussion participants weren't very talkative but I think you did a great job in spite of that.
- she helped so much with homework and was super useful during office hours like i would not have completed any assignment or understood anything without her help 100% recommend plus she was so nice honestly she deserves a raise
- She is helpful but sometimes I get confused about the concepts because she goes too fast.
- Sometimes I have difficulty understanding the words of her, but overall she tried hard to explain the course materials.
