7. Please describe any practices that the Instructional Assistant specifically used that created or interfered with a welcoming and supportive learning environment.

- Discussions that are interactive, interesting, and inspiring
- She is very kind and patient. She uses a rotating method, answering one question per student before moving on to the next, which is really helpful.
- She is very welcoming and encouraging of participation from everyone in the discussion section.
- Yes.

8. Please describe any practices that the Instructional Assistant specifically used that particularly helped you to learn the material and/or encouraged you to feel that you could succeed in the course.

- Office hours that are interactive, interesting, and inspiring
- She always guides us through the thinking process and helps us figure out the answer.

- She would walk around, taking a look at how each person is doing on a problem, and either giving them guidance or having them go up to the board and show the class their correct solutions. This fosters good participation.
- Yes, quite alot.

9. Please offer constructive suggestions that might help the Instructional Assistant improve their contribution to your learning of the course material.

- Discussion materials are posted to canvas, but perhaps worked out solutions can also be posted as well so that those who cannot make it to section can do the worksheets while also being able to check their solutions afterwards.
- Good worksheet!
- Make students more confident about math
