- She is a very nice IA. I enjoy her patience and her teaching style. However, maybe something she can do to even improve her teaching/tutoring is to explain in further details how she got to a certain step. Her teaching was clear, however, I do feel that if she was to explain even more how she got to a step, I would feel even more confident. Otherwise, it was a big pleasure being her student! Really found the discussion sections a lot helpful, especially when coming close to the midterms/quizzes.
- She is friendly, and always prepared with answers for students
